

TMS 2006

135th Annual Meeting & Exhibition

■ *Linking science and technology for global solutions*

EXHIBITION PROSPECTUS

March 12-16, 2006
Henry B. Gonzalez Convention Center
San Antonio, Texas, USA

<http://www.tms.org/AnnualMeeting.html>

TMS Annual Meeting & Exhibition attracts more than 3,500 business leaders, engineers, scientists and researchers from around the world who are interested in the latest products and technologies in minerals, metals, and materials.

Reach decision-makers from industry, government, and academia.

■ Industry	63%	■ Government	8%
■ University	25%	■ Retired/Other	4%

Sell to the global marketplace. 43% of TMS attendees come from outside the U.S., spanning six continents.

■ Europe	44%	■ Australia	6%
■ Asia	26%	■ South America	5%
■ North America (outside U.S.)	17%	■ Africa	2%

Close the deal with attendees who hold buying power in industry.

■ CEOs, Presidents, Managing Directors, General Managers, Owners	30%	■ Engineers: Applications, Consulting, Development, Materials, Mechanical, Process, Project, Principal	20%
■ Managers: Operations, Purchasing, Business Development, Plant, R&D	32%	■ Operators, Consultants, Editors, Sales & Marketing Representatives, Others	18%

15-year exhibitor

"This year (2005) it turned out that we signed a contract that we had been working on for several months in our booth during the exhibit. We strongly support the TMS (Annual Meeting & Exhibition)."

— John E. Allen, President
Thorpe Technologies Inc., Whittier, CA, USA

11-year exhibitor

"The TMS Annual Meeting & Exhibition is a good place to visit for Gouda Vuurvast. Especially the presence of many end users makes a visit profitable."

— Frank Constantinesco, Account Manager
Gouda Vuurvast N.V., Gouda, Netherlands

EXHIBITION INFORMATION

All booths are designed with 8' back drape and 3' side drape. Minimum size is 10' x 10' (3.04m x 3.04m).

Exhibitor Benefits

1. 44" sign identifying your company name and booth number
2. Aisle carpeting
3. Complimentary registration for two (2) to TMS technical sessions **==> \$1,000 value!**
4. Exhibitor services manual
5. Hosted exhibit hall events
6. Hypertext link from the TMS virtual exhibit to your Web site **==> \$400 value!**
7. Listing in pre-show and on-site directories
8. Post-show attendee mailing list
9. Security throughout the show (includes setup, show hours, and dismantle)
10. Supply of show invitations— free admission for customers and prospects

Plus, one (1) complimentary TMS membership for 2006 **==> \$105 value!**

Show Dates / Hours

Monday, March 13 Noon to 6 p.m.

Tuesday, March 14 9:30 a.m. to 5:30 p.m.

Wednesday, March 15 9:30 a.m. to 3 p.m.

Space Rental Cost

Reserve by **November 15, 2005**, to take advantage of the discounted rate of \$22 per square foot.

After November 15, 2005, rate is \$25 per square foot.

Act immediately to secure a prime booth location!

Three convenient ways to reserve your space today:

1. Reserve your booth online at <http://www.tms.org.AnnualMeeting.html>.
2. Fax the enclosed space reservation form to (724) 776-3770 or mail to TMS, 184 Thorn Hill Road, Warrendale, PA 15086, USA
3. Telephone Cindy Wilson, exhibits coordinator, at (724) 776-9000, ext 231, or e-mail: wilson@tms.org.

CORPORATE SPONSORSHIP OPPORTUNITIES

Increase your brand awareness. Build corporate image. Enhance the effectiveness of your marketing efforts. Sponsor an event at TMS 2006 Annual Meeting & Exhibition.

Sponsorship places your company name and corporate logo in areas guaranteed for high visibility. Select from a varied list of events or tailor a sponsorship to meet your needs.

E-mail Cindy Wilson at wilson@tms.org, or visit TMS online at <http://www.tms.org/AnnualMeeting.html>.

JOM PARTNERSHIP

Your Link to Increased Booth Traffic

JOM is the official journal of the TMS Annual Meeting & Exhibition and the source of quality materials science and engineering information. JOM is read monthly by approximately 30,000 of the world's materials science and engineering professionals who require timely, accurate, and practical information. Special advertising opportunities and discounts for exhibiting companies are available in conjunction with the TMS 2006 Annual Meeting & Exhibition in these issues:

November 2005 – includes the preliminary technical program and exhibition “pre-show” report

February 2006 – serves as the on-site technical program and the show directory distributed to all attendees

May 2006 – includes the post-meeting review and photos

Advertise in JOM, optimize interest in your company, and attract more people to your booth.

To take advantage of these special offers, contact:

Arlene Frances
JOM Advertising Sales Representative
Telephone: (724) 776-9000, ext. 280
E-mail: afrances@tms.org

TOPICS OF INTEREST TO ATTENDEES

The technical program at TMS 2006 brings together diverse subjects related to the business and science of minerals, metals, and materials. Nearly 50 symposia and an estimated 2,000 papers will be presented related to the comprehensive topics of Light Metals; Structure, Extraction, Processing, and Properties; and Emerging Materials. For more information on the technical program, visit <http://www.tms.org/AnnualMeeting.html>.

Capture the Spirit of San Antonio!

After a successful day at the exhibition, relax in what has become the most popular city for TMS' annual meeting.

The eighth largest city in the United States, San Antonio has retained its sense of history and tradition while carefully blending in cosmopolitan progress.

With over 300 days of sunshine annually and an average temperature of 68.8 degrees Fahrenheit, San Antonio offers an abundance of outdoor sports and recreation.

Visit the Alamo where you'll find relics and mementos from the Republic of Texas and narration on the fall of the Alamo.

Tour the largest and most spectacular show cavern in Texas at Natural Bridge Caverns.

Explore the River Walk with three miles of unique retail shops, restaurants and nightclubs.

To discover more about this amazing city, visit www.sanantoniovisit.com.

Meeting & Exhibition.**

TMS

The Minerals, Metals & Materials Society (TMS) is a professional organization encompassing the entire range of materials and engineering, from minerals processing and primary metals production to basic research and the advanced applications of materials.

Included among its professional and student members are metallurgical and materials engineers, scientists, researchers, educators, and administrators from more than 70 countries on six continents.

TMS' mission is to promote the global science and engineering professions concerned with minerals, metals, and materials.

To learn more, visit www.tms.org.

10-year exhibitor

"The benefits from interchange of information pertaining to new projects, new technology and new business have been extraordinary."

— Dr. Renuka Rodrigo, Product Applications Engineer
Heraeus Electro-Nite Company, Langhorne, PA, USA

You need to exhibit at TMS 2006 if your company offers:

- Air pollution control equipment
- Alloy, rare earth, precious metals, minerals and chemical supplies
- Aluminum production technology and equipment
- Automation
- Carbon technology and supplies
- Casting
- Coatings, thin films and surface modification
- Combustion and furnace technology
- Corrosion and surface treatment
- Engineering, consulting, contracting
- Government collaborative programs and national laboratories
- Grain refiners/hardeners
- HF measurement systems – pot rooms/stacks
- Industrial gases
- Industrial process control
- Instrumentation, measurement, analysis, characterization, microscopy equipment
- Molten metal filtration, pumps
- Publishing
- Recycling/scrap processing
- Refractory and insulating products
- Research and development
- Software - design, modeling, phase diagram, process simulation
- X-ray fluorescence

For a current listing of exhibiting companies, e-mail Cindy Wilson at wilson@tms.org, or visit TMS online at <http://www.tms.org/AnnualMeeting.html>.

9-year exhibitor

"TMS...has a good reputation, so important people still come, so the global customer reach is still significant. Customers have reached us to discuss our technology; that is valuable."

— Detlef Maiwald, Sales Director
innovatherm GmbH & Co. KG, Butzbach, Germany
