Scope & Topics:

Materials & Science in Sports is organized to bring together those interested in technical aspects of sports. Themes may include design, materials, mechanics, dynamics, and biomechanics. All aspects of science applied to sports will be welcome, particularly those relating to advances in equipment and improvements in athletic performance.

The conference will cover all sports and leisure pastimes such as golf, tennis, cricket, baseball, soccer, sailing, hockey and athletics.

The conference will be of interest to those working in engineering, physics, sport science, and physical education departments around the world.

The Materials & Science in Sports Conference will take place at The Coronado Island Marriott Resort, which is located on sixteen waterfront acres on Coronado Island just over the Coronado Bay Bridge from San Diego and adjacent to Tidelands Park. Coronado is a warmly elegant and picturesque community with unusual shops, art galleries, delightful restaurants and one-of-a-kind boutiques.

Advance Registration:

Take advantage of the discounted advance registration fees. Complete the Advance Registration form in this mailer and return it to:

Accommodations:

The headquarter hotel and site of The Materials & Science in Sports is the Coronado Island Marriott Resort, Coronado, California, USA, and is located on sixteen waterfront acres on Coronado Island just over the Coronado Bay Bridge from San Diego and adjacent to Tidelands Park. Coronado is a warmly elegant and picturesque community with unusual shops, art galleries, delightful restaurants and one-of-a-kind boutiques.

An important component of The Materials & Science in Sports is the opportunity to meet with representatives of the industry from all over the globe. In this respect, the conference venue at the Coronado Island Marriott Resort will provide excellent opportunities for networking and discussions with colleagues and associates.

Participants should fax or mail their conference housing form, which is located in this mailer, as early as possible to the Coronado Island Marriott. The housing cut-off is **Friday, March 30, 2001**. After **March 30, 2001**, the conference rate and availability at the Coronado Island Marriott Resort may not be available.

Coronado Island Marriott Resort guests can achieve a perfect balance between relaxation and rejuvenation. The 300 guest rooms and 35 suites are oversized, and provide mindful amenities and comforts. Recreation abounds on numerous nearby golf courses. On-site at the resort are 3 outdoor pools, lighted tennis courts and a full-service health club and European spa. Guests can enjoy dinner in the Coronado Island Marriott Resort's award-winning French restaurant, in addition to a brasserie-style restaurant serving breakfast, lunch and dinner.

Local attractions include Balboa Park museums and attractions, downtown San Diego and La Jolla, Old Ferry Landing, Old Town State Park, San Diego Zoo and Sea World, Seaport Village and Tijuana, Mexico.

U·S AIRWAYS

**... Official Carrier
for the
Materials &
Science in Sports
Conference**

Special Airfare

US Airways has been designated as the official carrier for the attendees of the Materials & Science in Sports Conference, April 22-25, 2001 in Coronado, California, and agrees to offer exclusive low fares for the attendees.

This special fare will offer a 7% discount off First or Envoy Class and any published US Airways promotional round trip fare. A 12% discount off unrestricted coach fares will apply with seven day advance reservation and ticketing required. Plan ahead and receive an additional discount by ticketing 60 days or more prior to departure. These discounts are valid provided all rules and restrictions are met and are applicable for travel from all points on US Airways route system.

The above discounts are not combinable with other discounts or promotions, and are valid March 8-18, 2001. Additional restrictions may apply on international travel.

To obtain these discounts, you or your professional travel consultant must call US Airways' Meeting and Convention Reservation Office at 800-334-8644; 8:00am-9:30pm, Eastern Time.

Americans With Disability Act:

TMS strongly supports the Federal Americans with Disabilities Act (ADA) which prohibits discrimination against, and promotes public accessibility for those with disabilities. In support of this act, we ask that those attendees requiring specific equipment or services contact the TMS Meeting Services Department to advise specific needs in advance.

Audio/Video Recording Policy:

The Minerals, Metals & Materials Society (TMS) reserves the right to any audio and video reproduction of all presentations at every TMS-sponsored meeting. Recording of sessions (audio, video, still-photography, etc.) intended for personal use, distribution, publication, or copyright without the express written consent of TMS and the individual authors is strictly prohibited. Contact the TMS Technical Programming Department to obtain a copy of the waiver release form.

About Coronado:

A natural place for romance and relaxation, the quaint village of Coronado lies just across the harbor from downtown San Diego.

It is connected to the mainland on the south by a long, narrow sandbar known as the Silver Strand and is accessible over the four-lane, two-mile long San Diego-Coronado Bay Bridge as well as by hourly ferry service. The Ferry Landing Marketplace in Coronado has been developed into an exciting retail and specialty entertainment complex that also features several fine restaurants.

The downtown area features dozens of boutiques, shops and restaurants and a large central park with a bandstand, where concerts are performed each Sunday throughout the summer. Other recreational facilities include bicycle paths, boat rentals, two yacht clubs, an 18-hole public golf course, tennis courts, a community playhouse and three public beaches.

Perhaps one of the greatest attractions of Coronado is its astonishing variety of fine restaurants, serving everything from fresh-caught seafood to gourmet pizzas. Equally enticing is the variety of boutiques and shops, many of which are accessible via the environmentally friendly Coronado Electric Shuttle.

Directions:

From San Diego Airport:

Left on Harbor Drive, left on Grape Street to I-5 South. Continue to Coronado Bay Bridge Exit. Go across bridge to first right, on Glorietta Boulevard. Hotel is located 2 blocks on right.
