

PROMOTING THE GLOBAL SCIENCE AND ENGINEERING PROFESSIONS
CONCERNED WITH MINERALS, METALS AND MATERIALS

TMS

LEARN • NETWORK • ADVANCE

Attention Graduating Students:

As you begin your career, it is extremely important to stay on top of your field. TMS can help you accomplish that and make a difference in your life.

Upon graduating, you are eligible to receive your first year of TMS membership **FREE** – no strings attached!

Benefits and resources you receive with your Free membership:

- **JOM**, the monthly technical journal for materials science and engineering professionals
- **Career Center/Job and Financial Security Resources** to help with your job search, job security, and financial planning and management
- **Professional Development** geared to those under 35 through the Young Leaders program
- **Awards** available only to young TMS members – Robert Lansing Hardy Award and Young Leader Professional Development Award
- **Membership Directory** of 9,000 colleagues in the materials profession
- **Archival Journals** such as *Journal of Electronic Materials*, and *Metallurgical and Materials Transactions A and B*, plus 20 additional journals published by Springer (accessible online)
- **TMS e-Library** of more than 30 engineering reference books and databases
- **Discounts** on TMS meetings, books, proceedings, journals and other knowledge products

To take advantage of this free membership offer, visit us online at www.tms.org/Society/Membership.html and complete the “Recent Graduate” application.

For questions, please email us at members@tms.org or call (800) 759-4TMS, ext. 241.
