Course Details

This is the definitive course on the theory and practice of primary aluminum production. Participants will be enriched by this 4.5-day course, which will provide a comprehensive understanding of the electrolysis process, as well as an overview of the state-of-the-art aluminum production.

Technical and project managers, supervisors and operators of Hall-Heroult cells, developers of primary aluminum production technology, and anyone with an interest in aluminum would benefit from this course.

This course will be held Sunday, October 20 through Friday, October 24 and includes the following:

- Sunday evening reception
- Morning and afternoon refreshment breaks during lecture intermissions
- Luncheons – Monday through Thursday
- Tuesday afternoon smelter plant tour
- Wednesday evening conference banquet/dinner event

Payment

Payment is accepted via credit card (Visa, MasterCard, Discover, and American Express) or check. Payment terms are net 30 days unless other arrangements are made. In the event that a sponsorship must be cancelled, the request must be made in writing; 50% refund (minus materials costs incurred for logo-imprinted sponsored items) will be issued until August 19, 2013. After that date, no refunds will be extended.
