

**“Friendly, open presenters who really live for aluminum and enjoy sharing their knowledge with other people.” — Past Course Attendee**

**TMS 2016 Industrial Aluminum Electrolysis Course**  
 The Definitive Course on Theory and Practice of Primary Aluminum Production

**September 19–23, 2016**  
 Nanshan Aluminum Company  
 Longkou City, Shandong Province, China

**An Electrolysis Course for Today’s Challenges**

- Learn the latest techniques from **five world-class instructors** in a small group setting, allowing for a more **customized learning experience**.
- **Link theory and practice** by applying concepts at your own operations.
- Gain the tools and information you need to **save costs and improve productivity**.
- View the **comprehensive preliminary program** with daily topic lists on the course website: [www.tms.org/IAE2016](http://www.tms.org/IAE2016).

**Who Will Benefit:**

- Technical and Project Managers
- Hall-Héroult Superintendents, Supervisors, and Operators
- Primary Aluminum Production Technology Developers

**A Location That’s Part of the Learning Experience:**

- The course will take place at Nanshan Aluminum Company.
- The fee of **\$2,750.00 USD** includes a plant tour, printed course materials, and translation services.
- For details on all course benefits, visit [www.tms.org/IAE2016](http://www.tms.org/IAE2016).

**Register for the course by August 15, 2016.**

**[www.tms.org/IAE2016](http://www.tms.org/IAE2016)**

**Space is Limited.**

**SECURE YOUR SPOT TODAY.**

**Register at [www.tms.org/IAE2016](http://www.tms.org/IAE2016).**

**2016 INSTRUCTORS**

**Halvor Kvande,**  
 Professor Emeritus,  
 Norwegian University of  
 Science and Technology  
 (NTNU)  
**Lead Organizer/  
 Instructor**

**Steve Lindsay,**  
 Manager, Process  
 Technology,  
 Alcoa

**Vinko Potocnik,**  
 President,  
 Vinko Potocnik  
 Consultant Inc.

**Alton  
 Tabereaux,**  
 Technical Consultant,  
 Aluminum Smelting

**Barry Welch,**  
 Emeritus Professor,  
 University of Auckland  
 and Director,  
 Welbank Consulting Ltd.

**Naixiang Feng,**  
 Professor, Institute of  
 Light Metals Metallurgy,  
 School of Metallurgy,  
 Northeastern University

**Zhaowen Wang,**  
 Professor, Institute of  
 Light Metals Metallurgy,  
 School of Metallurgy,  
 Northeastern University
