

The Minerals, Metals & Materials Society (TMS) announces its 2013 Annual Meeting Call for Papers! Your research can be included among the featured presentations at...

TMS2013

142nd Annual Meeting & Exhibition

March 3-7, 2013 • Henry B. Gonzalez Convention Center • San Antonio, Texas

Abstract submissions are sought for more than 65 diverse symposia in these technical areas:

- Advanced Characterization, Modeling, and Performance
- High Performance Materials
- Light Metals: Aluminum, Magnesium, and Titanium
- Materials and Society: Energy Technology, Policy, and Education
- Materials Processing and Production
- Nanoscale and Amorphous Materials
- REWAS 2013 — Enabling Materials Resource Sustainability

**Submit Your Abstract Now at: www.tms.org/tms2013/CFP
Abstract Deadline is July 15, 2012**

CALL FOR PAPERS!

TMS2013

142nd Annual Meeting & Exhibition

March 3-7, 2013 • Henry B. Gonzalez Convention Center • San Antonio, Texas

Did you know that more than 4,300 materials science and engineering professionals from 68 countries attended TMS2012 in Orlando, Florida earlier this year?

Don't miss the next opportunity to step onto this diverse global stage and present your work to an audience of your peers.

Submit Your Abstract Now at:

www.tms.org/tms2013/CFP

Abstract Deadline is July 15, 2012

TMS2013 is...

- Technical Programming
- Continuing Education
- Special Lectures
- Honors & Awards
- Exhibition
- Networking
- Student Events
- Proceedings

Linking Science and Technology for Global Solutions
