# SAVE THE DATE - SEPTEMBER 13-17, 2020

## **14TH INTERNATIONAL SYMPOSIUM ON**

### SEPTEMBER 13-17, 2020

### Seven Springs Mountain Resort Seven Springs, Pennsylvania, USA

Mark your calendar today and plan to attend the latest installment in one of the most established and impactful conference series on superalloys.

Superalloys 2020 will convene the breadth of the superalloys technology community to share and advance innovations in materials processing, properties, coating technology, industrial applications, and the development of new superalloy compositions.

Check the symposium website regularly for updates and details on the call for abstracts and other Superalloys 2020 developments:
