

CALL FOR REVIEWERS

METALLURGICAL AND MATERIALS TRANSACTIONS E Materials for Energy Systems

Principal Editor: David Laughlin, Carnegie Mellon University

Editor: Victorino Franco, Sevilla University

Editor: Steven J. Zinkle, University of Tennessee, Knoxville

Metallurgical and Materials Transactions E: Materials for Energy Systems is seeking volunteers for the journal's roster of reviewers. Peer reviewers are charged with providing feedback to the key readers about the merits of submissions in terms of quality and contribution to the field. Reviewers are expected to write reviews in a timely and constructive manner. Establishing *Metallurgical and Materials Transactions E* as a scientific journal of the highest quality depends upon reviewers with a high level of expertise and an ability to be objective and insightful in their evaluation of manuscripts.

If you are interested, please submit a current CV and a list of publications to mettrans@andrew.cmu.edu.
