» **JOM**, the monthly technical journal of TMS for materials professionals – in print and online

» **Journal of Electronic Materials**, monthly technical journal available online

» **Metallurgical and Materials Transactions A and B**, technical journals available online

» **20 materials science and engineering journals** published by Springer, available online

» **TMS Career Center** — enhanced online resource to post an anonymous resume, view jobs and create personal job alerts; TMS members receive priority placement of resumes.

» **TMS Membership Directory** — online global network of materials professionals in 70 countries

» **Discounts** on TMS conferences, continuing education courses, print journals, and publications in the Knowledge Resource Center

» **Additional Members-Only Resources** — accessible online through your members-only resource center.

### Membership Requirements

**Full Member**
A candidate for professional membership shall be a person of integrity in professional activities and actively involved with materials science, materials engineering and/or application. A candidate must hold a bachelor’s degree from a recognized university in metallurgy, metallurgical engineering, materials science, materials engineering or another science or engineering discipline related to the field OR have at least five years experience and be a practicing professional in materials science and engineering or a closely related field.

Annual Dues: $120

**Associate Member**
A candidate for associate membership shall be a person of integrity in professional activities and actively involved with materials science, materials engineering and/or application. While not possessing the academic or technical experience of a professional member, the associate members must be active in fields related to the advancement of materials science and engineering and its affiliated industries.

Annual Dues: $120

**Life Member**
A candidate for life membership is a professional or associate member who wishes to make a one-time payment of dues to TMS.

One-Time Dues: $1,800

**Reinstatement**
Members who may have allowed their dues to lapse may be reinstated into the same membership grade as when they left by submitting a new application and paying the current dues. If the applicant wishes to have the original year of joining TMS reflected, back dues must be paid to date (half the annual dues for each year of lapsed membership); otherwise, the membership year will be the year of reinstatement.

**Application Process**
The TMS membership year begins January 1 and ends December 31. Applications received between January 1 and August 31 will be processed for the current calendar year. Applications received after August 31 will be processed for the remainder of the current calendar year and the entire following year. Two weeks are required for processing of complete applications submitted with payment. Incomplete applications cannot be processed.
INDIVIDUAL LIFETIME MEMBERSHIP APPLICATION: THE MINERALS, METALS AND MATERIALS SOCIETY

PLEASE TYPE OR PRINT.
