DON'T MISS OUT ON *THE* EVENT FOR THE MATERIALS SCIENCE AND ENGINEERING PROFESSIONS!

The Minerals, Metals & Materials Society (TMS) connects minerals, metals, and materials scientists and engineers who work in industry, academia, and government positions around the world.

TMS2018 will draw more than **4,000 attendees** from nearly **70 nations** and feature four full days of technical programming, 85 symposia, two poster sessions, numerous networking opportunities, and a dynamic exhibition hall. The meeting is also co-located with two international events: **The 2nd International Conference on Computational Design and Simulation of Materials (CDSM 2018)** and a selection of new symposia co-organized by the **Federation of European Materials Societies (FEMS)**.

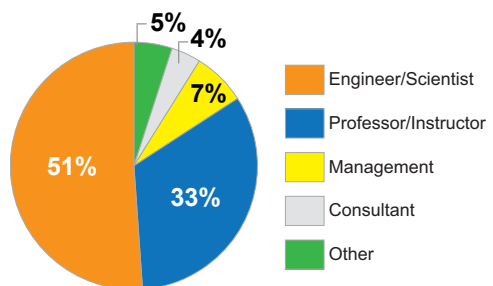

EXHIBIT AND CONNECT WITH GLOBAL LEADERS AND DECISION-MAKERS.

More than 85 symposia are planned in the following technical tracks:

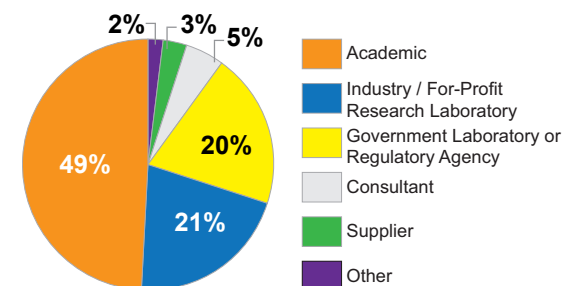

- Additive Technologies
- Advanced Materials
- Biomaterials
- Characterization
- Corrosion
- Electronic Materials
- Energy & Environment
- Light Metals
- Materials Design
- Materials Processing
- Mechanics & Structural Reliability
- Nanostructured Materials
- Nuclear Materials
- Physical Metallurgy

EXHIBITOR BENEFITS

- **Reach the global marketplace**

Half of the TMS2017 attendees hailed from outside of the United States, representing nearly 70 nations overall

- **Make high-value networking connections**

Special events inside the Exhibit Hall include lunch breaks each day, poster sessions and receptions, Exhibit Hall happy hour, and more

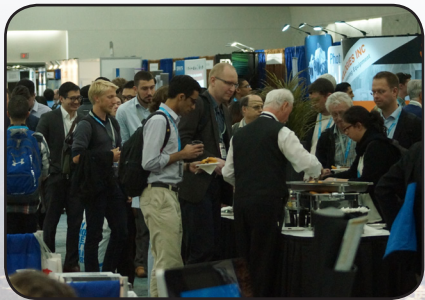

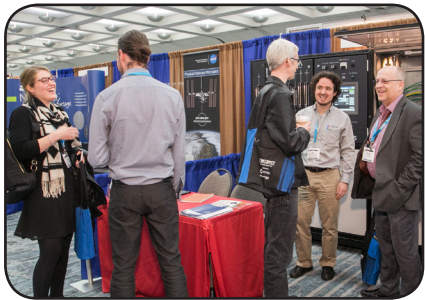

- **Access key technical sessions**

With one full-conference registration included in all booth packages, you will have access to the popular plenary event and all programming throughout the week

- **Amplify your brand visibility**

Your company will be included in pre- and post-show marketing materials, the TMS2018 final program, mobile app, conference website, and *JOM*, as well as have access to attendee lists

Additional benefits for the Exhibit Hall are still under development—check the TMS2018 exhibit website at www.tms.org/TMS2018Exhibit regularly for more information on special events and activities, an interactive floor plan, booth packages, and more.
