EXHIBITION OPPORTUNITIES

Why Become an Exhibitor?

The International Conference on Silicon Carbide and Related Materials has become the preeminent forum to discuss new research results and assess the true "state of the art" for SiC, gallium nitride (GaN) and other related wide bandgap semiconductors—spanning the spectrum from fundamental science of materials through device performance.

Semiconductor materials science and technology have provided a solid foundation for the remarkable performance of current electronic and optical device technology. Silicon carbide has been studied for decades, but recent development has firmly established commercial products in optical, RF and power components.

Who Attends?

EXHIBITION RULES AND REGULATIONS

1. Exhibition Space Assignment:

Exhibit space will be assigned by TMS in accordance with the desires of the Exhibitor for specific space request and locations of competitors. Exhibitors may not let, sublet or transfer the exhibit privilege or space in whole or in part without the express written consent of TMS Show Management.

2. Cancellation:

Cancellation of exhibit space must be provided in writing to TMS at least 30 days prior to the event. Cancellations will be refunded in full, less the \$100 cancellation fee, for cancellations received through August 20, 2005. TMS reserves the right to reassign cancelled spaces notwithstanding, and the monies returned.

If The Minerals, Metals & Materials Society fails or is unable to fulfill its obligations in providing the opportunity to hold exhibits at the International Conference on Silicon Carbide and Related Materials 2005, the Society agrees to promptly return the exhibitor all monies paid. If this occurs, any agreements made shall be cancelled by mutual consent, and the Society shall be relieved from all responsibility. Exhibitors shall not seek any claim against TMS for expenses incurred prior to the event cancellation. Such decision will be made prior to August 15, 2005.

3. Use of Exhibit Space:

The Society, in keeping with its stated purpose, encourages exhibitors to be educational, communicative and resource-informative in their exhibit displays. All exhibits and products/services displayed must be pertinent to the field of electronic materials and in the professional interests of the registrants.

Show Management reserves the right to restrict exhibits which, because of noise, method of operation, materials or for any other reason, become objectionable and to prohibit or remove any exhibit which, in the opinion of the ICSCRM organizers and TMS, may detract from the general character of the exhibition as a whole. This reservation includes persons, things, conduct, printed matter, or anything which Show Management determines to be objectionable. In the event of such restriction or removal, TMS shall not be liable for any refunds or exhibit expenses.

4. Selling and Order Taking:

The technical exhibits are intended primarily for informational, display and educational purposes. Sales are permitted, provided that transactions are conducted in an appropriate professional and business-like manner. The Society reserves the right to restrict sales activities that it deems inappropriate or unprofessional. Exhibitors agree to abide by all Pennsylvania, City of Pittsburgh and Allegheny County tax regulations and are responsible for collecting and submitting their own sales taxes. Any necessary sales tax applications/forms must be completed in advance of the exhibition's opening. TMS will not be responsible or liable for any fees, taxes, or other expenses incurred by exhibitors as a result of their decision to sell merchandise at the exhibition.

5. Indemnification:

The Exhibitor agrees to indemnify, defend and hold harmless the exhibit, The Minerals, Metals & Materials Society Inc., its members, officers and employees, the Westin Hotel/Pittsburgh or their employees, and all individuals or organizations performing services for them (together, the "indemnities") from and against any and all liabilities, damages, actions, costs, losses, claims, and expenses (including without limitation attorneys' fees and expenses) related to personal injury, death or damage to or loss of property or profits arising out of or resulting, in whole, or in part, from any act, omission, negligence, fault or violation of law or ordinance (including without limitation, any environmental law or regulation), of any of the indemnities, except for the gross negligence and/or willful misconduct of the indemnity.

TMS will not be liable for fulfillment of this contract as to the delivery of space and further will not be responsible for delays, damage, loss, increased costs or other unfavorable conditions due to: reason of the exhibition space being destroyed by fire, act of God, public enemy, national emergency, strikes, the authority of the law or any cause beyond its control. TMS will, however, in the event of not being able to hold an exhibit for any of the above-named reasons, reimburse the Exhibitor pro rata for any prepaid rent, less any and all legitimate expenses incurred by TMS for advertising, salaries, etc., and TMS shall have no further obligation or liability to the exhibitor. The foregoing shall be the sole and exclusive remedy of the Exhibitor.

The Exhibitor agrees to indemnify and reimburse TMS for the costs of all services and expenses incurred in connection with any collection effort should it be necessary for TMS to engage legal counsel or a collection agency to collect moneys due TMS as a result of Exhibitor's failure to pay.

Exhibitors are advised to carry floater insurance to cover exhibit materials against damage or loss as well as public liability insurance against injury to the person and property of others. TMS will carry public liability insurance for injury to the exhibitor visitors, exhibitors and their agents' employers. Exhibitors' employees are not covered when on space rented by an Exhibitor. TMS shall be added as an additional

insured on such policies, and the Exhibitor shall provide evidence thereof.
