

WE'RE BACK IN PERSON!

FEBRUARY 27-MARCH 3, 2022
ANAHEIM, CALIFORNIA, USA
#TMSAnnualMeeting
www.tms.org/TMS2022

Come back to the meeting that brings the world's minerals, metals, and materials communities together in a single location: the TMS Annual Meeting & Exhibition.

FEATURING THESE CO-LOCATED EVENTS:

TMS2022 is committed to the health and safety of all attendees. To learn about steps we're taking to create a safe and comfortable on-site meeting environment, visit www.tms.org/TMS2022/Health.

TWO WAYS TO PARTICIPATE:

IN-PERSON:

Join us in Anaheim for the complete event experience: attend networking and social events, visit an active exhibit hall, and interact live with speakers and colleagues. You'll also receive access to on-demand presentations and conference proceedings.

VIRTUAL:

Not able to travel? Virtual registration provides you with access to submitted pre-recorded technical presentations, select live-streamed sessions, and the full published conference proceedings.

REGISTER BY JANUARY 18 FOR THE BEST RATES!

WHAT WILL YOU EXPERIENCE AT TMS2022?

- More than 90 symposia in 14 technical topics
- Full access to the programming of three co-located events
- Three-day exhibit pass, featuring exhibitor displays, poster sessions, networking receptions, and the 2022 TMS Bladesmithing Competition display
- Special features celebrating the TMS-AIME 150th Anniversary year
- **New for 2022:** Sunday night welcome reception and Monday welcome breakfast to start your meeting right
- Access to on-demand presentations and published conference proceedings
- And more! Visit www.tms.org/TMS2022 to view complete event plans

TMS members receive significant discounts on registration. Be sure to join or renew your membership before you register!

STAY WHERE THE ACTION IS!

Book your room through the TMS2022 website and stay at the Anaheim Marriott to be in the center of networking activity and Society events!

Deadline to Book Housing: February 11, 2022
