

CALL FOR ABSTRACTS! Submit yours by July 1, 2021

All DMMM4 programming is included as part of your TMS 2022 Annual Meeting and Exhibition (TMS2022) registration. **DMMM4 will take place March 2 and 3 during TMS2022.**

SHARE YOUR WORK, EXPERIENCES, AND PERSPECTIVES

Novel, actionable, and measurable approaches for improving diversity, equity, and inclusion (DEI) through strategies that encompass a broad spectrum of human experiences form the foundation of DMMM4 programming. Abstracts are currently being accepted presenting current research, case studies, and hands-on/interactive learning activities within the following themes:

- **Introduction to Diversity, Equity, and Inclusion**
- **STEM Outreach Case Studies and Best Practices**
- **Combating Biases in STEM**
- **The Invisible Pipeline: Recruitment/Retention of Underrepresented Minorities**
- **Inclusivity in Hiring and Leadership Development**
- **Career Development Tools and Strategies**
- **Engaging Those with Physical, Cognitive, or Sensory Challenges**

A DYNAMIC LEARNING EXPERIENCE

DMMM4 will equip attendees with the skills, knowledge, and resources they need to achieve results within four thematic learning pillars:

INSPIRING: Keynote talks will offer motivation and courage for change.

LEARNING: Sessions will feature case studies and details on how successful DEI strategies were implemented.

DOING: Small group, hands-on sessions will develop specific skills.

SHARING: Interactive panel discussions and facilitated small group sessions will give attendees the opportunity to explore complex questions and contribute to new ideas.
