AGENDA

Sort, filter, or search the agenda based on the time (image 1), the track (image 2), the date (image 3), or by searching (image 4). Search by keyword, name, track, and more.

Schedule by Date: Shows a date filter dropdown menu with options: NOW: after current time, ALL, AM: midnight to noon, PM: noon to midnight.

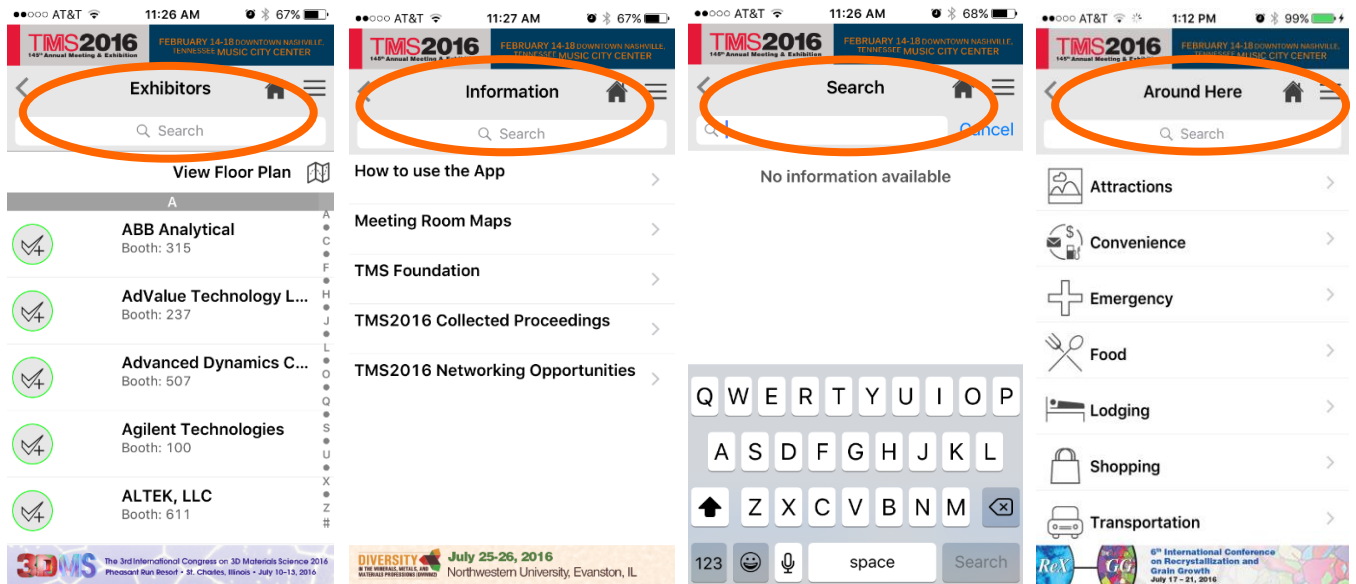

Select Track: Shows a list of tracks including Additive Manufacturing and Joini..., All-Conference Events, Biomaterials, Committee and Business Meetings, Computational Materials Science, Continuing Education and Special..., Energy and Sustainability, and Exhibition.

Schedule by Date: Shows a date filter dropdown menu with options: Sat, Feb 13, 2016, Sun, Feb 14, 2016.

Search: Shows a search bar with a keyboard overlay. The search results are empty, displaying "No information available".

SEARCH

Find exactly what you're looking for by using search features within the app. There is a search bar in the Agenda, Exhibitors, Attendees, Information, and Around Here sections. Searches can be conducted by individual name, company, or keyword.

MY MEETING

From anywhere within the TMS2016 mobile application you can access your personal profile, schedule, appointments, sync data, or return the application main screen. Simply click on the 3-lines icon on the upper right corner and select "Dashboard" to return to the main screen or select from the list of personal features below. Additional features are available in the My Meeting section to personalize your TMS2016 experience.

The TMS2016 Mobile Application also features an interactive Exhibitors section in which you can view company profiles, find them on the map, and schedule appointments.

Additional features are available throughout the mobile application. Be sure to download in advance to help you prepare for your time in Nashville!
