The Membership Diversity and Development Director must be elected by the voting members. The Membership Diversity and Development Director is eligible for election for no more than a three-year term. No Director shall serve more than two back-to-back three-year terms on the Board of Directors. An individual may be considered for further service on the Board of Directors after at least one year off of the Board of Directors. The Vice Chair of the MD&D Committee shall be elected by committee voting members. The Vice Chair shall serve a three-year term. The role of Vice Chair does not connote ascendancy to the chair position as per standard operating procedures for TMS functional committees. The selection of the chair is competitive, with the Nominating Committee reviewing all of the candidates and making a recommendation to the Board of Directors. The Board of Directors then makes a recommendation to the membership for election.
