## Liquid Metal Processing & Casting Conference 2019

**September 8-11, 2019 • [www.tms.org/LMPC2019](http://www.tms.org/LMPC2019)**

**University of Birmingham Edgbaston Park Hotel  
and Conference Centre • Birmingham, UK**

The 2019 Liquid Metal Processing & Casting Conference (LMPC 2019) is the only conference series exclusively dedicated to sharing the latest advances in primary and secondary melt processing.

LMPC 2019 will feature highly focused technical talks encompassing controls and process simulation, ingot defect formation and characterization studies, and process parameter-material properties characterization.

**Don't miss this opportunity to connect with leaders and discuss the latest developments in liquid metal processing research.**

Topics planned for LMPC 2019 include but are not limited to:

- Primary and Secondary Melt Processing (Vacuum Induction Melting, Vacuum Arc Remelting, Electroslag Refining, Plasma Melting, and more)
- Physical Property Measurements of Liquid Metals
- Casting and Solidification of Liquid Metals
- Modelling of Metallurgical Processes
- Ceramic, Slag and Refractory Reactions with Liquid Metals
- Refining, Evaporation and Gas/Metal Reactions

Visit [www.tms.org/LMPC2019](http://www.tms.org/LMPC2019) to learn more about the technical topics and other plans for the conference.

### **DISCOUNT REGISTRATION DEADLINE:**

**AUGUST 2, 2019**

[www.tms.org/LMPC2019](http://www.tms.org/LMPC2019)

### **ORGANIZERS:**

#### **LEAD ORGANIZING COMMITTEE:**

**Alain Jardy**, Université de Lorraine, France

**Alec Mitchell**, University of British Columbia, Canada

#### **LOCAL ORGANIZING COMMITTEE:**

**R. Mark Ward**, University of Birmingham, UK

**Nils Warnken**, University of Birmingham, UK

### **REGISTER TODAY!**
