## 12th International Conference on Magnesium Alloys and their Applications

**SUBMIT AN  
ABSTRACT**

**JUNE 15–18, 2021**

**Hotel Omni Mont-Royal  
Montreal, Quebec, Canada**

The 12th International Conference on Magnesium Alloys and their Applications (Mg 2021) will convene the global research community to explore the latest discoveries.

Abstracts are requested for all aspects of magnesium research and development, including the following topics:

- Primary Production
- Alloy Development
- Solidification and Casting Processes
- Forming and Thermo-mechanical Processing
- Other Manufacturing Process Development (Including Joining and Additive Manufacturing)
- Corrosion and Protection
- Modeling and Simulation
- Structural, Functional, Biomedical, and Energy Applications
- Advanced Characterization and Fundamental Theories
- Recycling and Environmental Issues
- Other

Topics will also include magnesium-based compounds and composites.

**Share your work with the growing magnesium community.**
