# Material Advantage™

The Student Program for Materials Science and Engineering

*Everything Else Is Immaterial*

Materials are the building blocks of our world. If you want to pursue a career in materials science and engineering, use the right materials to build your future - the many benefits of membership in the Material Advantage Student Program.

## Take advantage of these great benefits:

- Networking through your local Material Advantage student chapter
- Society journals to expand your knowledge
- Reduced conference registration fees and student publication prices
- Career placement services and the Forum on Careers in Materials Science & Engineering
- Prizes and recognition through student competitions
- Scholarships and grants totaling more than \$600,000
- Regional and national conferences and events to meet future employers and colleagues

**Qualifications:** A student in good standing at a post-secondary, degree-granting school may become a Material Advantage student member upon application and payment of dues.

**Membership Year:** The Material Advantage student membership year begins January 1 and ends December 31. New member dues are based on the following schedule:

- Applications submitted January - July, \$30 for current calendar year
- Applications submitted August - December, \$30 for remainder of current calendar year and the entire following year; subscriptions to commence at the beginning of the following year.

In succeeding years, all student members will be billed for membership dues in September for the following year. Note: Two weeks are required for processing of complete applications submitted with payment. Allow six to eight weeks for subscriptions to begin.

**Upon Graduation:** Recognizing the financial demands on young engineers, ACerS, AIST, ASM and TMS have established special incentives for the first year of individual professional membership following graduation. You will be notified prior to your anticipated graduation date that your Material Advantage student membership is about to expire, and provided with information on continuing your membership with ACerS, AIST, ASM and TMS. Please note that Material Advantage membership is not available following graduation and that completion and submission of separate applications will be required to continue all professional memberships.

Complete application and submit with payment to:

Material Advantage Student Program  
c/o TMS  
5700 Corporate Drive Suite 750  
Pittsburgh, PA 15237 USA

Mr.  Ms. Name \_\_\_\_\_

Name of School (required) \_\_\_\_\_

Ph.D. <input type="checkbox"/>				

**Communication Preferences**

Yes, I agree to receive communications from the Material Advantage membership program and the Material Advantage partner societies.  
For details on how the societies manage your information, view the privacy policies posted on the Material Advantage website.

**Check the option that best describes your current academic status (required):**

I am an Undergraduate Student  I am a Graduate Student  I am a Ph. D. Candidate

**Please indicate your anticipated academic status for the coming calendar year, January through December (required):**

I expect to graduate and enter graduate school in the coming calendar year  
 I expect to graduate and completely finish my education in the coming calendar year  
 I don't expect any changes in my academic status

**Please check the following key word(s) that best describe your interest (mark all that apply):**

Aluminum  Foundry  Biomaterials  Iron & Steel  Ceramics & Glass  Magnesium  
 Coatings  Metallurgy  Composites  Polymers  Education  Titanium

**Material Advantage Student Membership Dues: \$30**

**The Material Advantage student membership year begins January 1 and ends December 31.**

Applications received January 1 through June 30 are processed for the current calendar year.

Applications received after July 1 are processed for the remainder of the current calendar year and the entire following year.

Membership benefits are active upon processing; subscriptions are active January through December of the following year.

**Two weeks are required for processing of complete applications submitted with full payment.**

**Allow six to eight weeks for subscriptions to begin.**
