PERCENTAGE OF BACHELOR'S DEGREES AWARDED TO WOMEN BY DISCIPLINE: 21.3% OF TOTAL

ASEE Data "Engineering by the Numbers"

African American Fraction

ASEE Data for MSE Programs

62 MSE programs reported BS degrees 2013-2017
87 MSE programs reported MS degrees 2013-2017
86 MSE programs reported PhD degrees 2013-2017

2017 – 59 ABET-accredited MSE BS Degrees

ASEE Data for MSE Programs

BS Degrees						
Year	African American Total	All	International	Female	African American	Female
2008	28	1095	42	271	2.7%	24.7%
2017	49	1933	235	564	2.9%	29.2%
	75.0%	76.5%	459.5%	108.1%		
MS Degrees						
Year	African American Total	All	International	Female	African American	Female
2008	14	715	297	205	3.3%	28.7%
2017	20	1229	649	370	3.4%	30.1%
	42.9%	71.9%	118.5%	80.5%		
PhD Degrees						
Year	African American Total	All	International	Female	African American	Female
2008	8	617	352	148	3.0%	24.0%
2017	7	811	425	207	1.8%	25.5%
	-12.5%	31.4%	20.7%	39.9%		

ASEE Data for MSE Programs Five Year Total 2013-2017

School	African American Male	African American Female	Total African American	All
Alabama at Birmingham	6	11	17	95
Georgia Tech	7	9	16	311
Clemson	10	4	14	269
Michigan	6	5	11	292
Alabama	6	4	10	67
Florida	6	3	9	186
MIT	4	4	8	192
Purdue	5	3	8	232
North Texas	4	2	6	68
Ohio State	4	2	6	406
Stanford	5	1	6	57
Virginia Tech	4	2	6	247

49 Programs averaged one or fewer African American Degrees per year
 10 Programs had zero African American Degrees in a given year

Sparseness – state of few and scattered

ASEE Data for MSE Programs 2013-2017

School	African American Fraction	State Fraction African American
Alabama at Birmingham	18.1%	26.4%
Alabama	15.4%	26.4%
Columbia	11.1%	15.2%
Stanford	10.7%	6.7%
Pittsburgh	9.3%	10.8%
North Texas	9.2%	11.9%
Tennessee-Knoxville	6.1%	16.8%
Georgia Tech	5.8%	31.4%
Cincinnati	5.3%	12.0%

Cohort-Based “Scholar” STEM Programs

My Experiences

Preparing for Grad School

Meyerhoff Scholars at UMBC*

MARC/RISE/BRIDGES Programs at San Francisco State University*

Preparing to Graduate

Metro College Success Program at San Francisco State University

Meyerhoff Scholars

- Since 1993 – Over 1100 students as of October 2017:
- Alumni -> 273 PhDs- 76 MD-PhDs, 1 DDS/PhD and 1 DVM/Ph.D, 107 MDs
- Over 300 alumni are currently enrolled in graduate and professional deg programs.
- 260 students enrolled 2017-2018 academic year 63% are African American, 15% Caucasian, 11% Asian, 10% Hispanic, 1% Native American.

Students are 5.3 times more likely to have graduated from or be currently attending a STEM Ph.D. or M.D./Ph.D. program than those students who were invited to join the program but declined and attended another university.

Meyerhoff Scholars

- 1. Recruitment** 2,000 nominations & enrolls approximately 50 new students each year. The top 100-150 applicants and their families are invited to attend an on-campus selection weekend
- 2. Financial Aid**
- 3. Summer Bridge** Mandatory pre-freshman 6-week Summer Bridge
- 4. Program Values**
- 5. Study Groups**
- 6. Program Community**
- 7. Personal Advising and Counseling**
- 8. Tutoring**
- 9. Summer Research Internships**
- 10. Mentors**
- 11. Faculty Involvement**
- 12. Administrative Involvement and Public Support**
- 13. Family Involvement**

Meyerhoff program has been used to *study* UMBC campus culture
Being replicated at Penn State, UNorthCarolina

Preparing to Graduate

Metro College Success Program at San Francisco State University

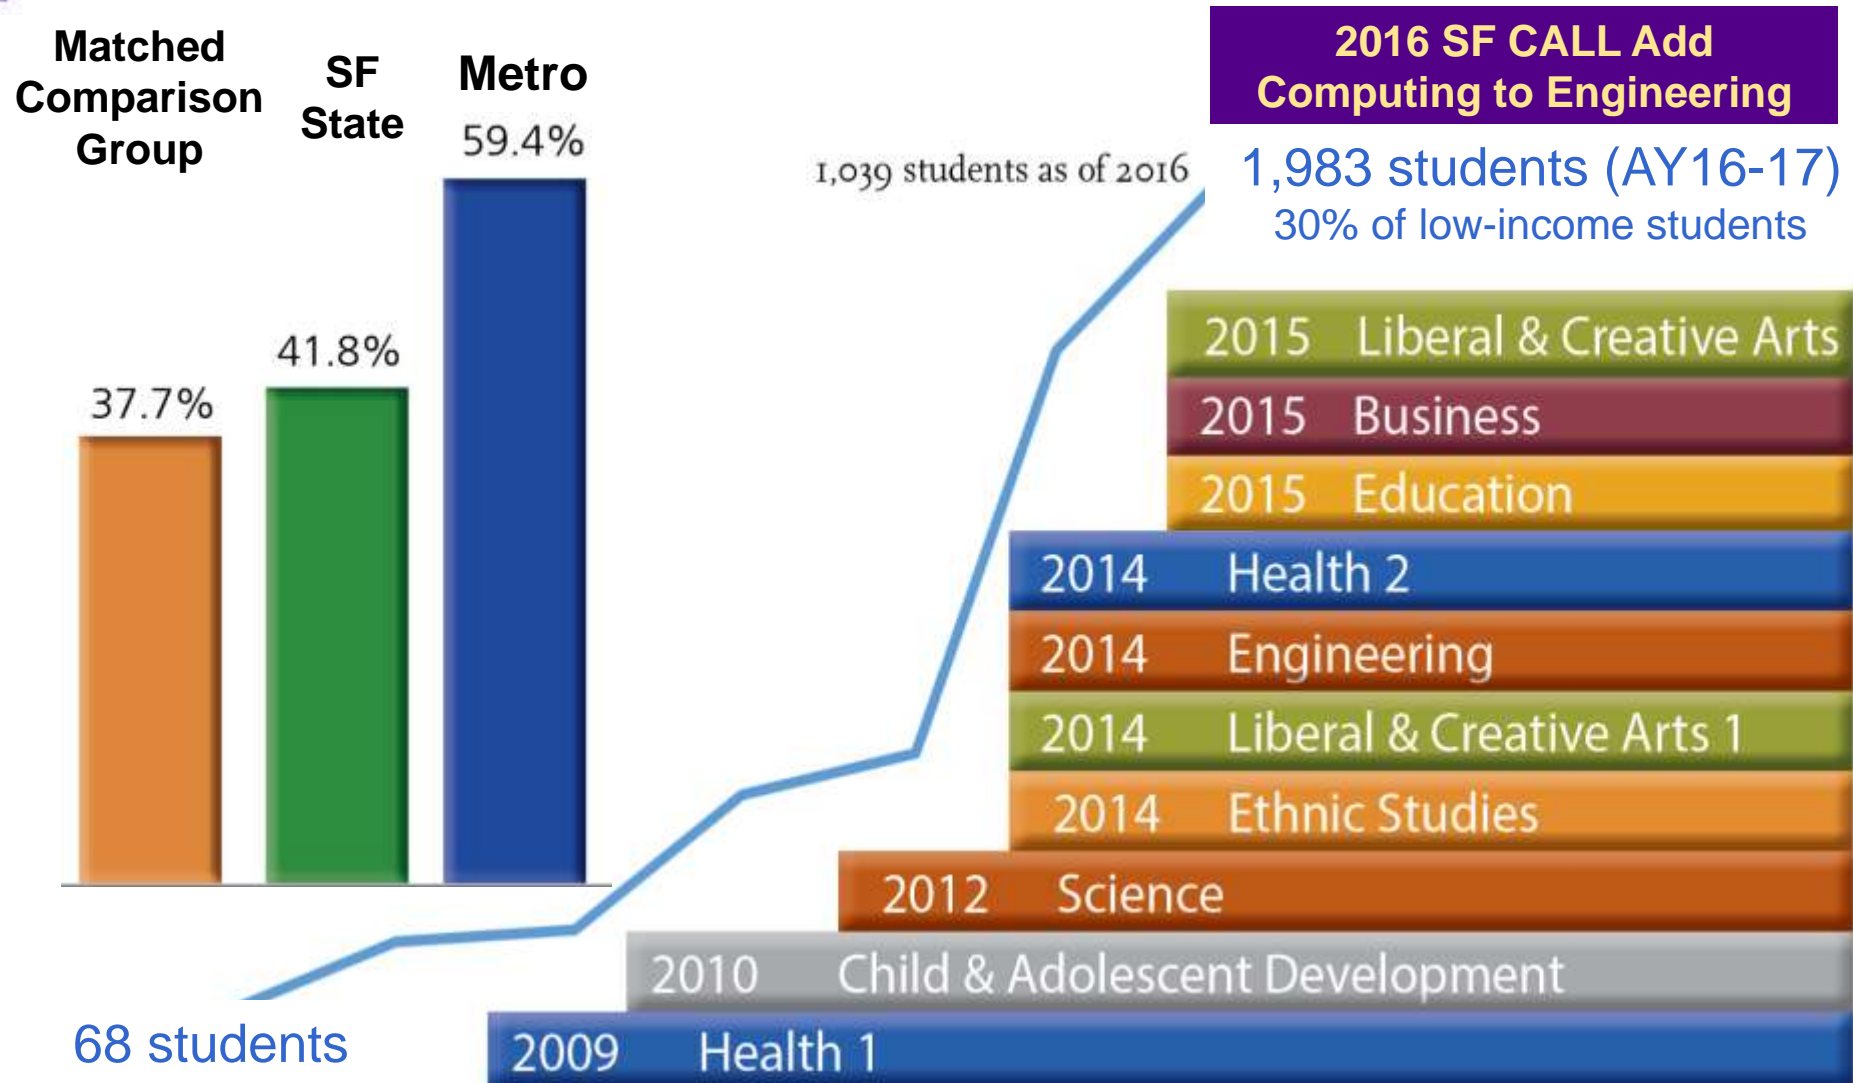

Who are Metro students at SF State?

Professor and Director Mary Beth Love

Metro students graduate in 5 years at a rate almost **22 percentage points higher** than the matched comparison group.

Professor and Director Mary Beth Love

A Community of Students and Faculty Each Metro academy is a “school within a school,” serving as a personalized educational **home** for students. Faculty, advisors and students in Metro work together in a learning **community**.

Advising and Tutoring Metro students receive one-on-one **support** from a dedicated academic advisor. Metro advisors help students stay on track with their course selection for speedy graduation. Metro **tutors** are readily available for extra **support**, particularly in math and English. (*Supplemental Instruction – Peer Taught Tutorials*)

Classes You Need to Graduate Quickly All Metro classes satisfy graduation requirements in general education for all 78 majors offered at SF State. Real-World and Engaging Courses Metro courses share a common theme of *social justice and relevant real-world issues*. Metro students learn how to give back to their **community** and make a difference in the world.

Early Exposure to a Variety of Majors Metro students are grouped in **communities** to prepare for a variety of majors and fields of interest. For the latest listing of current Metro Academy themes, visit metro.sfsu.edu

MSE Programs

- MSE BS Degrees comprise ~1.6% of all engineering BS Degrees
- MSE Faculty comprise ~3.6% of all engineering tenure-track faculty
- Class sizes for majors are small compared to other engineering majors – Average ~26
- Undergrad Student-Faculty ratios are small compared to other engineering majors -
~9:1 (vs 24:1)
- We have capacity for undergrad research
- We have a manageable context to foster community and connectivity

What does it mean if the programs we consider top-ranked and excellent are also among our least diverse?

MSE Programs

- We can do better- just one more African American degree per program per year would double the number produced*
- Connect with NSBE, SHPE, SACNAS chapters on your campus*
- Support your university's diversity leaders & programs*
- Work with your student orgs on collaborative events*
- Engage your department community*
- Consider your department culture – and how it **does or does not** welcome all*
- How have you and all of your colleagues worked to be informed on implicit bias, stereotype threat . . . ?*

My commitment:

Be courageous in sharing information, asking questions and fostering change to advance inclusion
