

JOM Call for papers

An official publication of The Minerals, Metals & Materials Society

Publication Date: *December 2021*

Manuscript Deadline: *July 1, 2021*

Energy Storage: Materials, Devices & Structures

Of interest for this special topic are manuscripts that address (i) costs, energy, fast charge retention and storage capability, life expectancy/shelf life, modeling, safety and standards in rechargeable batteries and supercapacitors/ultracapacitors; and (ii) new phase change materials, concentrator systems, modeling and systems optimization.

Original research papers should be 3,000-6,000 words with up to 8 figures maximum; review papers should be 6,000-10,000 words with up to 15 figures maximum.

Detailed author instructions are available at:
<http://www.tms.org/AuthorTools/>

Keywords for this topic: **Energy; Energy Conversion and Storage; Thin Films and Interfaces**

Guest Editor(s): **Nuggehalli Ravindra:**
nmravindra@gmail.com

Committee Sponsor(s): **Other-Invited**

If you are interested in submitting a paper, upload your manuscript at
<https://www.editorialmanager.com/jomj/>

Please note that all submissions will be subject to peer review.
Submission does not guarantee acceptance.
