

JOM Call for papers

An official publication of The Minerals, Metals & Materials Society

Publication Date: *January 2020*

Manuscript Deadline: *March 1, 2019*

Seeking papers for **3D Materials Science**

Submissions are encouraged on the industrial application of materials modeling and processing-microstructure-property relationships in 3D materials science.

Original research papers should be 3,000-6,000 words with up to 8 figures maximum; review papers should be 6,000-10,000 words with up to 15 figures maximum.

Detailed author instructions are available at:
<http://www.tms.org/AuthorTools/>

Keywords for this topic:

Characterization, computational materials science and engineering, modeling and simulation

Guest Editors for the *JOM* topic are Matthew Miller and Philip Withers:

mpm4@cornell.edu; p.j.withers@manchester.ac.uk

If you are interested in submitting a paper, upload your manuscript at
<https://www.editorialmanager.com/jomj/>

Please note that all submissions will be subject to peer review. Submission does not guarantee acceptance.
