

JOM Call for papers

An official publication of The Minerals, Metals & Materials Society

Publication Date: *May 2019*

Manuscript Deadline: *December 1, 2018*

The Aluminum Committee and Magnesium Committee are seeking papers on the topic of *Aluminum and Magnesium: High Strength Alloys for Automotive and Transportation Applications*

This topic covers the development of light metals-high strength alloys with a particular interest in automotive and transport applications. Broader submission aluminum alloys will also be considered.

Original research papers should be 3,000-6,000 words with up to 8 figures maximum; review papers should be 6,000-10,000 words with up to 15 figures maximum.

Detailed author instructions are available at:
<http://www.tms.org/AuthorTools/>

Keywords for this topic:

Alloy phases, aluminum, lightweight materials, magnesium, mechanical properties, physical properties

**Guest Editor for the *JOM* topic is Dmitry Eskin:
Dmitry.Eskin@brunel.ac.uk**

If you are interested in submitting a paper, upload your manuscript at
<https://www.editorialmanager.com/jomj/>

Please note that all submissions will be subject to peer review. Submission does not guarantee acceptance.
