

JOM Call for papers

An official publication of The Minerals, Metals & Materials Society

Publication Date: *June 2018*

Manuscript Deadline: *January 1, 2018*

The Pyrometallurgy Committee is seeking papers on the topic of *Extraction of Precious Metals*

The scope of this topic includes many areas of growing interest concerning metallurgical processing of primary and secondary resources for extraction of various precious metals, including gold, silver and platinum group metals. An emphasis will be on the recovery of these metals from various substances that were traditionally deemed as hazardous waste or refractory feeds.

Typical paper length is 5,000 to 6,500 words for review papers, and 2,400 to 4,000 words for original papers.

Detailed author instructions are available at:

<http://www.tms.org/AuthorTools/>

Keywords for this topic:

Extraction and processing, precious metals, pyrometallurgy, recycling and secondary recovery, iron and steel

Guest Editor for this *JOM* topic is Jesse White:
