

JOM Call for papers

An official publication of The Minerals, Metals & Materials Society

Publication Date: *December 2018*

Manuscript Deadline: *July 1, 2018*

Seeking papers for **NANOSTRUC 2018**

This invited topic will present papers from NANOSTRUC 2018. The conference focuses on new research results, perspectives of future developments, and innovative applications relevant to structural materials, engineering structures, nanocomposites, modeling and simulations, and their related application areas.

Original research papers should be 3,000-6,000 words with up to 8 figures maximum; review papers should be 6,000-10,000 words with up to 15 figures maximum.

Detailed author instructions are available at:
<http://www.tms.org/AuthorTools/>

Keywords for this topic:
Nanotechnology

Guest Editor for the JOM topic is James Njuguna:
j.njuguna@rgu.ac.uk

If you are interested in submitting a paper, upload your manuscript at
<https://www.editorialmanager.com/jomj/>

Please note that all submissions will be subject to peer review. Submission does not guarantee acceptance.
