

# JOM Call for papers

An official publication of The Minerals, Metals & Materials Society

**Publication Date:** *March 2019*

**Manuscript Deadline:** *October 1, 2018*

## Seeking papers for *Solid Freeform Fabrication*

This invited topic will feature selected papers from the 29th Annual International Solid Freeform Fabrication Symposium—An Additive Manufacturing Conference, scheduled for August 13-15, 2018 in Austin, Texas. The meeting is a major high-level research conference dealing with all aspects of additive manufacturing.

Original research papers should be 3,000-6,000 words with up to 8 figures maximum; review papers should be 6,000-10,000 words with up to 15 figures maximum.

Detailed author instructions are available at:  
<http://www.tms.org/AuthorTools/>

**Keywords for this topic:**  
*Additive manufacturing, powder technology*

**Guest Editor for the *JOM* topic is Dave Bourell:**  
[dbourell@mail.utexas.edu](mailto:dbourell@mail.utexas.edu)

If you are interested in submitting a paper, upload your manuscript at  
<https://www.editorialmanager.com/jomj/>

Please note that all submissions will be subject to peer review. Submission does not guarantee acceptance.
