

# JOM Call for papers

An official publication of The Minerals, Metals & Materials Society

**Publication Date:** *February 2018*

**Manuscript Deadline:** *September 1, 2017*

## **The Recycling and Environmental Technologies Committee is seeking papers on the topic of *Toward Resources and Processes Sustainability***

The development of technically viable solutions for resource sustainability may require interdisciplinary approaches in many cases. For this topic, papers are invited on recycling and environmental technologies from various disciplines to advance the sustainability.

Typical paper length is 5,000 to 6,500 words for review papers, and 2,400 to 4,000 words for original papers.

Detailed author instructions are available at:

<http://www.tms.org/AuthorTools/>

### **Keywords for this topic:**

**Advanced materials, advanced processing, electrometallurgy, energy conversion and storage, recycling, thin films**

**Guest Editor for this JOM topic is Xiaofei Guan:**

[xiaofei@bu.edu](mailto:xiaofei@bu.edu)

If you are interested in submitting a paper, upload your manuscript at  
<https://www.editorialmanager.com/jomj/>

Please note that all submissions will be subject to peer review. Submission does not guarantee acceptance.
