Are you a Presenter?  Yes  No  I'm not sure

*Presenters are required to register before the advance registration deadline for the Specialty Congress. We require this to secure commitment from presenters that they plan to travel to and attend the Congress in person to deliver their oral or poster presentation. Cancellations and no shows disrupt the program and detract from the quality of the event. If a change in travel plans occurs, we urge presenters to identify a substitute who can attend and present in their place. TMS can transfer the existing registration to the substitute attendee. If a registrant must cancel, TMS must be notified via email before the advance registration deadline of April 30, 2025 to receive a refund. Fees will be refunded less a \$130 processing fee. TMS regrets that no refunds will be processed after the advance registration deadline of April 30, 2025.*
