**BROADEN YOUR EXPERTISE: REGISTER FOR A PROFESSIONAL DEVELOPMENT EVENT AT TMS2018**

## **AN INTRODUCTION TO COMPUTATIONAL MODELING IN MATERIALS PROCESSING COURSE**

**SUNDAY, MARCH 11, 2018 • 1:00 P.M. TO 4:30 P.M.**

The scope of this course is to provide a basic introduction to computational modelling as it applies to processing of materials. With advances in materials science, “new” and “old” materials are being processed at higher efficiencies using novel methods thanks, in part, to computational modelling. This course serves as an introduction to modelling and illustrates the various steps required to complete a model.

### **INSTRUCTOR**

**Samuel Wagstaff**, Novelis SA  
*Additional instructors to be announced.*

### **SPONSORED BY**

TMS Process Technology and Modelling Committee

### **REGISTRATION FEES**

	Advanced	On-Site
Member	\$325	\$375
Non-member	\$375	\$425
Student	\$175	\$225
