THE event for the global materials science and engineering professions

EVENT OVERVIEW

The Minerals, Metals & Materials Society (TMS) connects minerals, metals, and materials scientists and engineers who work in industry, academia, and government positions around the world.

TMS2019 will draw more than **4,000 attendees** from nearly **70 nations** and feature four full days of technical programming, 80 symposia, two poster sessions, numerous networking opportunities, and lunch breaks in the dynamic exhibition hall.

REWAS 2019, co-located with TMS2019, will provide companies the opportunity to showcase research and advance progress at the intersection of materials science, metallurgy, and sustainability.

SPECIAL ATTRACTIONS IN 2019

NEW! Additive Manufacturing Pavilion

Additive Manufacturing is one of the fastest growing technical tracks at TMS Annual Meetings, with seven additive-related symposia planned for 2019. Position your company as a leader in the field of additive manufacturing at the Exhibit Hall's newest addition.

IT'S BACK!

Bladesmithing Competition

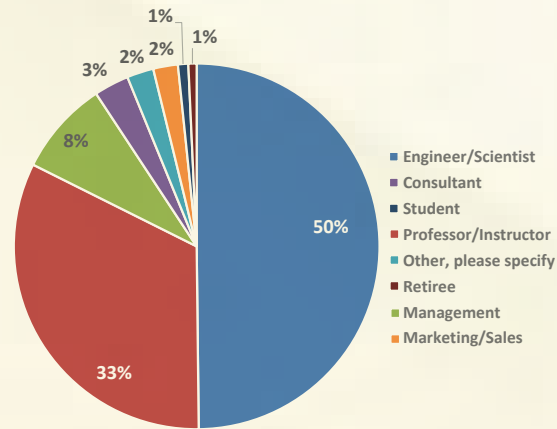

The TMS2019 Exhibition will host the popular Bladesmithing Competition, an event that always brings energy—and attendees—to the Exhibit Hall.

More than 80 symposia are planned in the following technical tracks:

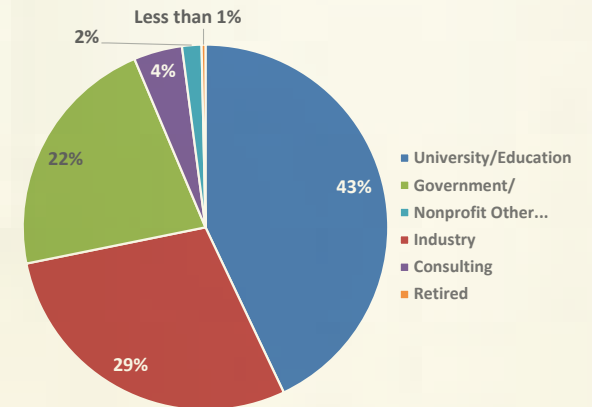

- Additive Technologies
- Materials Processing
- Mechanics & Structural Reliability
- Corrosion
- Nuclear Materials
- Physical Metallurgy
- Light Metals
- Characterization
- Nanostructured and Heterostructured Materials
- Advanced Materials
- Electronic Materials
- Energy & Environment
- Biomaterials
- Materials Design

PRIMARY TECHNICAL TRACK

REGION

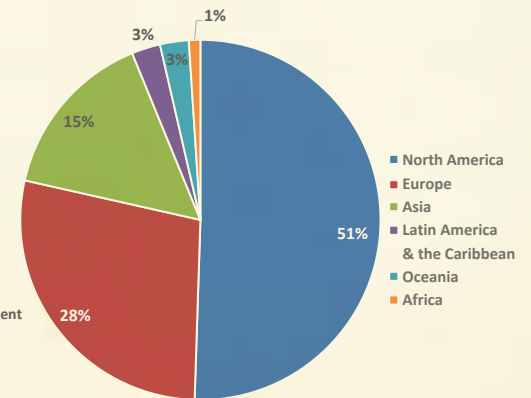

Exhibit and connect with global leaders and decision-makers.

EXHIBITOR BENEFITS

- **Access to the global marketplace in one convenient location:** Half of the TMS2018 attendees hailed from outside of the United States, representing nearly 70 nations overall
- **High-value networking opportunities in the Exhibit Hall:** Including lunch breaks, poster sessions, and featured speaker meet & greets
- **Heightened brand visibility:** Inclusion in pre- and post-show marketing materials, the TMS2019 final program, mobile app, conference website, and *JOM*, as well as have access to attendee lists and exhibitor marketing toolkit

Additional benefits and networking events for the Exhibit Hall are still under development—check the TMS2019 exhibit website at www.tms.org/TMS2019Exhibit regularly for more information on special events and activities, an interactive floor plan, booth packages, and more.

NEW! Upgraded Exhibitor Listing in the TMS2019 Mobile App

Each exhibitor will have the opportunity to create a robust company profile in the TMS2019 mobile app, included with participation. Upload marketing materials, product spec sheets, and white papers to promote and support your TMS2019 exhibit!

THE event for the global materials science and engineering professions

EXHIBIT SCHEDULE

- Monday, March 11 • 11:00 a.m. to 7:00 p.m.
- Tuesday, March 12 • 11:00 a.m. to 7:00 p.m.
- Wednesday, March 13 • 10:00 a.m. to 2:00 p.m.

BOOTH INFORMATION

Rate

\$2,600 USD per 10'x10' (100 ft² or about 9.3 m²)
Plus \$150 per exposed corner

Booth Package Includes

- One (1) full conference registration and two (2) exhibit hall only registrations per 10'x10' (100ft²) reserved
- Pre- and post-show attendee registration lists for one-time use
- Inclusion in the TMS2019 final program
- Inclusion in the mobile app with scheduling tool for booth visits and personal meetings
- 8' back and 3' side drape (inline booths)
- Complimentary Wi-Fi in the Exhibit Hall (e-mail and casual web browsing)
- Access to Exhibitor Lounge

Booth Availability & Reservations

You can view current availability and reserve exhibit space through the online floor plan available at www.tms.org/TMS2019Exhibit. Alternatively, companies can submit a printed Exhibit Space Application, available on the TMS2019 Exhibit website, to reserve exhibit space.
