#TMSAnnualMeeting

EVENT OVERVIEW

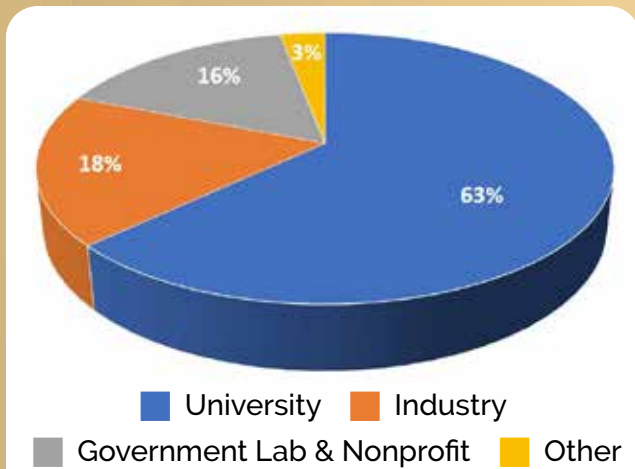

The Minerals, Metals & Materials Society (TMS) connects scientists and engineers who work in industry, academia, and government laboratory positions around the world.

TMS returns to Las Vegas for the first time in over 25 years, bringing the Annual Meeting & Exhibition to the exciting MGM Grand Hotel & Casino.—as a fully in-person event with more than 4,500 attendees expected.

The meeting will feature more than 120 symposia in these technical areas:

- Additive Manufacturing
- Advanced Characterization Methods
- Biomaterials
- Data-driven and Computational Materials Design
- Electronic, Magnetic, and Energy Materials
- Light Metals
- Materials Degradation and Degradation by Design
- Materials Synthesis and Processing
- Mechanics of Materials
- Nuclear Materials

WHERE OUR PROFESSIONAL ATTENDEES WORK

Data is from the TMS2024 Post-Conference Attendee Survey. TMS2024 was held in Orlando, Florida, USA.

EMPLOYEE RECRUITMENT

With over 1,000 graduate students and thousands of professionals expected at TMS2025, the candidates you want to meet are all in one place: giving talks and attending sessions just steps away from the exhibit hall.

ADDITIVE MANUFACTURING AND 3D PRINTING LABORATORY

Nearly all universities have a 3D Printing Laboratory onsite, and the university professionals who attend the Annual Meeting & Exhibition help to make the decisions on new printers and supplies. Bring a machine to demonstrate the quality and versatility of your latest 3D printers.

PLANNED TECHNICAL TOPICS

We're focusing the exhibition on products and services that support the most popular themes of the meeting:

- Additive Manufacturing and 3D Printing Laboratory
- Melt Processing, Casting and Recycling of Aluminum
- Digital and Robotic Manufacturing
- Employee Recruitment
- Software and Publishing
- Testing and Characterization – including Mechanical Behavior
- Thermo/Mechanical Processing Equipment
- And More!

WE ASKED OUR ATTENDEES:

Why Would You Recommend the TMS Annual Meeting & Exhibition?

#1 Reason: Great Value for Connecting with Colleagues, Experts, and Peers in the Field from All Over the World

WHO WILL YOU CONNECT WITH AT TMS2025?

The **top five countries** represented at TMS2024 were: USA, Canada, United Kingdom, Japan, and Germany.

Popular programming topics at TMS2024 included Light Metals, Additive Manufacturing, Materials Synthesis and Processing, and Mechanics of Materials.

Programming topic data is from the TMS2024 Post-conference Attendee Survey. TMS2024 was held as a fully in-person event in Orlando, Florida.

EXHIBITOR BENEFITS

- **Access the global marketplace in one convenient location.** More than a third of all TMS2024 attendees hailed from outside of the United States, representing 60 countries overall.
- **Find high-value networking opportunities.** Busy poster sessions and popular receptions keep attendees coming back to the Exhibit Hall to engage with exhibitors.
- **Achieve heightened brand visibility.** Inclusion in pre- and post-show marketing materials, the TMS Annual Meeting & Exhibition conference guide, mobile app, conference website, and *JOM*, as well as access to attendee lists and an exhibitor marketing toolkit.
- **Create a robust company profile in the conference mobile app.** Upload marketing materials, product spec sheets, white papers, and more to promote and support your exhibit presence.
