SUBMIT AN ABSTRACT FOR THE FOLLOWING TMS2025 SYMPOSIUM:

LIGHT METALS

Bauxite Residue Valorization and Best Practices

Welcome to the 5th Bauxite Residue Valorisation and Best Practices Conference. Continuing the conference series that started in 2015, this time we join forces with TMS and we give the floor to the most creative, innovative, thought-provoking ideas regarding bauxite residue valorisation. We invite works at different technology readiness levels, including industrial applications. Selected papers will be invited for submission to the *Journal of Sustainable Metallurgy*.

ORGANIZERS

Tobias Hertel, KU Leuven; **Christina Meskers**, SINTEF; **Efthymios Balomenos**, Mytilineos S.A.; **Casper Van Der Eijk**, SINTEF; **Brajendra Mishra**, Worcester Polytechnic Institute; **Yiannis Pontikes**, Ku Leuven

SYMPOSIUM SPONSORS

TMS Light Metals Division, TMS Aluminum Committee
