

THE TMS FOUNDATION IN FOCUS

2019 Annual Report

A LETTER FROM TMS FOUNDATION LEADERSHIP

After experiencing a period of revitalization and celebrating our 25th anniversary, 2019 was a refreshing year for the TMS Foundation. In March 2019, the TMS Foundation Board of Trustees adopted a new signature program statement: *The TMS Foundation supports students and young professionals with meaningful financial assistance and impactful career-building experiences.*

While securing the future of our professions has always been at the heart of the TMS Foundation's mission, this signature program statement commits us to an even sharper focus on supporting the next generation of leaders in the field.

To celebrate the kick-off of this renewed focus, the TMS Foundation got a fresh, new look and a redesigned website. Along with this was a campaign inviting past donors and TMS members to reacquaint themselves with the TMS Foundation and take a more active role in supporting students and young professionals.

And it's clear that our donors believe in our work. From November 2019 through the end of December 2019, we conducted our annual year-end appeal, which raised \$88,342. Over the course of the entire year, \$349,582 was raised by a total of 321 generous donors, 69 of whom were new to the Foundation family.

So, while 2019 proved to be an exciting year of change for the TMS Foundation, we look forward to the many new opportunities ahead to expand our impact.

Sincerely,

A handwritten signature in black ink that reads "Garry W. Warren".
