Committed to a Stronger Future: The TMS Foundation 2020 Annual Report
2020 began with the TMS Foundation Board of Trustees and TMS Board of Directors meeting to outline a challenge. With renewed commitment to supporting students and early career professionals, the two boards made plans for meeting ambitious philanthropic goals and engaging Society members in pursuit of these goals. Shortly after, the COVID-19 pandemic magnified the importance of this commitment.

What the pandemic demonstrated, was exactly what the Foundation trustees reaffirmed in February. Students and early career professionals faced many unprecedented roadblocks proving that the need to provide for these TMS members in the most vulnerable stages of their careers was greater than ever.

With the support of 292 generous donors, the TMS Foundation did not waver in answering the call to provide financial assistance, valuable recognition, and leadership opportunities. Those 292 donors, 56 of whom made a gift for the first time in 2020, raised a total of $172,308. During the 2020 year-end appeal campaign alone, which ran from mid-October through the end of December, a total of $105,915 was raised to ensure the strength of our profession now and in the future.

Together, the TMS Foundation and its generous benefactors accomplished a great deal in 2020. When we stand together, we can make a difference in many lives. And we look forward to making an even greater impact in the years to come.

Sincerely,

“...the deliberate and dedicated support of young professionals in TMS, made possible by both the TMS Foundation and so many engaged, uplifting members, has helped advance my career and has made TMS feel like home. I am excited to continue working within TMS and alongside the Foundation to ensure that our membership will be diverse, vibrant, and dynamic as we tackle the most pressing technological challenges now and into the future.”

OUR MISSION

The TMS Foundation supports students and young professionals with meaningful financial assistance and impactful career-building experiences. To learn more about the mission, vision, and history of the TMS Foundation, visit the About section at www.TMSFoundation.org.

OUR PROGRAMS

STUDENTS
By supporting scholarships, travel grants, and educational enrichment programs for students, the TMS Foundation helps remove barriers to education while encouraging a deeper involvement in the greater materials community.

EARLY CAREER PROFESSIONALS
The TMS Foundation offers professional recognition awards, opportunities for presenting work and developing symposia, and leadership development programs through its support for professionals at this key stage in their career development.

ESTABLISHED PROFESSIONALS
Awards supported by the TMS Foundation encourage diversity within the professions, outstanding mentors or educators, and distinguished achievements, helping to boost prestige within the fields.

OUTREACH INITIATIVES
The TMS Foundation also supports the Materials Explorers™ high school outreach program and the TMS Bladesmithing Competition for college students, as well as student participation in the Electronic Materials Conference and the ASM Materials Camps.

THANK YOU TO OUR 2020 DONORS

In addition to special donor groups such as the 40/40 Club for young professionals and the 1871 Legacy Circle for individuals who have provided for the TMS Foundation through planned giving, the TMS Foundation celebrates its donors through its Lifetime Giving Honorific Societies and the Annual Giving Honor Roll. With their generous contributions to the TMS Foundation, our donors are making a significant and permanent impact on the future of the minerals, metals, and materials professions.

To view current members of both honor rolls, visit www.TMSFoundation.org/HonorRolls.

“You who are gathered here this evening are not only resilient in your own lives, but you also reached out to others in need in their lives with your financial generosity,” said Garry Warren (fourth photo, top row) to the attendees of the Foundation’s March 2021 donor appreciation, held virtually for the first time. “Although the world changed, the need did not. The TMS Foundation and its many beneficiaries are deeply grateful to you.”
